Project Completion Letter

ACKNOWLEDGMENTS

This section should contain the acknowledgements due to the Director, Dept HOD, Project supervisor, company personnel, department guide, Laboratory Incharge (where the work was carried out) and faculty members whose assistance was sought during the project work.

ABSTRACT

The abstract is brief synopsis of the project work and should be written in 4 paragraphs. The first paragraph should introduce the area of the topic and give importance of the work / topic in the present day scenario, hence leading to the objective of the project work. The second paragraph should briefly discuss the methodology that was adopted in the work. The third paragraph should discuss briefly the important results that were obtained and its significance. The fourth paragraph should discuss the important conclusion(s) of the project work. If you have used some software tools/packages or hardware/systems, indicate them in the last line. (The abstract should fit in one page only)
